TESH welcomes new Director of Education and Training

Jean “Ann” Walker joined TESH in February 2007. Her current projects include developing the Adult Psycho-Social Rehabilitation program and expanding the Residential Habilitation Program.

Ann’s first association with TESH was when she returned to the Northwest to join Region 1 Health and Welfare as the Developmental Disability Program Manager in Coeur d’Alene. She was impressed with the array of services TESH offered and TESH’s long-standing reputation for providing quality supports.

Ann began her career teaching Special Educa-

tion in Oklahoma and Texas. She completed her Bachelor’s Degree (Education) at Oklahoma State University and her Masters Degree (Special Education) at Portland State University in Oregon. She was a QMRP and Teacher at Eastern Oregon Training Cen-

ter in Pendleton.

In Salt Lake City, she was a Long Term Care surveyor for Utah Medicaid. She was employed for 12 years by an independent health care service where she was involved in starting several 16-bed Immediate Care Facilities for the Mentally Retarded. She later became Quality Assurance Monitor for five Home and Community Based Waivers.

Ann most recently served as the Executive Director for Merry Glen Home and School in Spokane. Merry Glen is a 20-bed group training home which is governed by a parent’s cooperative.
