TESH's fifth annual fall fundraising campaign continues as the year draws to a close. Information in the direct mailing focused on the tax incentives available to Idaho individuals and corporations. Registration is available now

through the day of the run. Participants can receive a long-sleeve shirt with their registration, or take the no-shirt option.

New this year—a warm-up tent after the run, sponsored by Moloney+O'Neill Benefits, Spokane; and light refreshments will be available with a drawing for several prizes, including an overnight for two at the Coeur d'Alene Resort.

• Weekly Grocery Shopping Benefits TESH Programs

TESH has been approved once again to receive contributions through the Albertsons Community Partners program. Albertsons supports education and development for young people in communities they serve by giving back a percentage of eligible purchases to schools and organizations.

Any Albertsons shopper with a Preferred Savings Card can earmark a portion of their grocery purchases. Forms are available at TESH. All the shopper needs to complete the form is their Pre-
